Dear Falls Church Youth Basketball League Parents,

Welcome to the Falls Church Recreation and Parks Department's youth basketball program. This program has been in existence for over three decades, and features leagues for girls and boys in many different age groups. The goal of our basketball program is for the children to have fun, improve their basketball skills, learn how to work as a team, and learn how to deal with winning and losing in a positive manner that promotes good sportsmanship.

Basketball is a fast paced, energetic game played in a confined area. It is likely to cause players, coaches, and spectators to get excited and involved in the action on the court. We take pride in our basketball program and the opportunities that it presents to teach our kids about good sportsmanship. Please help us to maintain the high level of excellence we have grown to expect from our coaches, our parents, and our players.

Jimmy Ruby is the Program Supervisor of our youth basketball program. During the season if you have any specific questions about the program or if a problem should arise that you would like to address, I ask you to contact Mr. Ruby at (703) 248-5027.

On behalf of the Falls Church Recreation and Parks Department, I hope all of you have an enjoyable experience in our league this season. We look forward to another exciting season of fun, learning, and sportsmanship.

Sincerely,

A handwritten signature in cursive script, reading "Daniel J Schlitt".

CONCUSSION FACT SHEET FOR PARENTS

WHAT IS A CONCUSSION?

A concussion is a type of traumatic brain injury. Concussions are caused by a bump or blow to the head. Even a "ding," "getting your bell rung," or what seems to be a mild bump or blow to the head can be serious.

You can't see a concussion. Signs and symptoms of concussion can show up right after the injury or may not appear or be noticed until days or weeks after the injury. If your child reports any symptoms of concussion, or if you notice the symptoms yourself, seek medical attention right away.

WHAT ARE THE SIGNS AND SYMPTOMS OF CONCUSSION?

If your child has experienced a bump or blow to the head during a game or practice, look for any of the following signs of a concussion:

SYMPTOMS REPORTED BY ATHLETE:

- Headache or "pressure" in head
- Nausea or vomiting
- Balance problems or dizziness
- Double or blurry vision
- Sensitivity to light
- Sensitivity to noise
- Feeling sluggish, hazy, foggy, or groggy
- Concentration or memory problems
- Confusion
- Just not "feeling right" or is "feeling down"

SIGNS OBSERVED BY PARENTS/ GUARDIANS:

- Appears dazed or stunned
- Is confused about assignment or position
- Forgets an instruction
- Is unsure of game, score, or opponent
- Moves clumsily
- Answers questions slowly
- Loses consciousness (even briefly)
- Shows mood, behavior, or personality changes

CITY of FALLS CHURCH
Recreation & Parks Department

DANGER SIGNS

Be alert for symptoms that worsen over time. Your child or teen should be seen in an emergency department right away if s/he has:

- One pupil (the black part in the middle of the eye) larger than the other
- Drowsiness or cannot be awakened
- A headache that gets worse and does not go away
- Weakness, numbness, or decreased coordination
- Repeated vomiting or nausea
- Slurred speech
- Convulsions or seizures
- Difficulty recognizing people or places
- Increasing confusion, restlessness, or agitation
- Unusual behavior
- Loss of consciousness (even a brief loss of consciousness should be taken seriously)

WHAT SHOULD YOU DO IF YOU THINK YOUR CHILD HAS A CONCUSSION?

1. **SEEK MEDICAL ATTENTION RIGHT AWAY**
A health care professional will be able to decide how serious the concussion is and when it is safe for your child to return to regular activities, including sports.
2. **KEEP YOUR CHILD OUT OF PLAY.**
Concussions take time to heal. Don't let your child return to play the day of the injury and until a health care professional says it's OK. Children who return to play too soon - while the brain is still healing - risk a greater chance of having a second concussion. Repeat or later concussions can be very serious. They can cause permanent brain damage, affecting your child for a lifetime.
3. **TELL YOUR CHILD'S COACH ABOUT ANY PREVIOUS CONCUSSION.**
Coaches should know if your child had a previous concussion. Your child's coach may not know about a concussion your child received in another sport or activity unless you tell the coach.

HOW CAN YOU HELP YOUR CHILD PREVENT A CONCUSSION OR OTHER SERIOUS BRAIN INJURY?

- Ensure that they follow their coach's rules for safety and the rules of the sport.
- Encourage them to practice good sportsmanship at all times.
- Make sure they wear the right protective equipment for their activity. Protective equipment should fit properly and be well maintained.
- Wearing a helmet is a must to reduce the risk of a serious brain injury or skull fracture.
 - However, helmets are not designed to prevent concussions. There is no "concussion-proof" helmet. So, even with a helmet, it is important for kids and teens to avoid hits to the head.

HOW CAN I HELP MY CHILD RETURN TO SCHOOL SAFELY AFTER A CONCUSSION?

Children and teens who return to school after a concussion may need to:

- Take rest breaks as needed
- Spend fewer hours at school
- Be given more time to take tests or complete assignments
- Receive help with schoolwork
- Reduce time spent reading, writing, or on the computer

Talk with your child's teachers, school nurse, coach, speech-language pathologist, or counselor about your child's concussion and symptoms. As your child's symptoms decrease, the extra help or support can be removed gradually.

B. CONDUCT

The coach is responsible for his/her conduct and the conduct of their players and spectators. Conduct by the coaches and parents should set an example for the team. Any actions, such as running up the score in a game, playing top players when the outcome has been decided, use of foul language or degrading players or officials are against the Recreation & Parks Department's principles and will not be tolerated.

Any coach, manager or player who is ejected from the game is automatically suspended from the next game his/her team plays. A second offense by the same person will result in additional disciplinary action as directed by the league. This rule is not subject to protest or review.

C. PLAYING TIME

1. **MINIMUM PLAYING TIME:** The objective of the basketball program is full participation, and all players must play a minimum of twelve (12) minutes per game, (2 uninterrupted quarters in the 2nd/3rd grade boys and girls leagues). League officials will enforce this rule. The only exception to this is in the case where a player's actions (such as missing practice, constantly disrupting, etc.) warrant such action, or an injury/illness prevents the player from completing the game. In either case, the coach **MUST** report to Falls Church Recreation and Parks Department Staff all discipline problems, illness, injury, and absent players to the score table **PRIOR** to the start of the game.
2. **MAXIMUM PLAYING TIME:** No player shall play more than 26 minutes in a game. (In the 2nd/3rd grade boys and girls league, players must sit at least one (1) quarter). Every player will sit out at least six (6) minutes of each game, unless there are only five (5) eligible players present

6. School teams have priority over recreation teams.

E. PROTESTS

The Falls Church Recreation and Parks Department makes every effort to make the league fun, fair, and safe for all involved. Part of the learning process for all people is that mistakes happen. We have a junior official program, with referees with varying amount of experience. We encourage all coaches and parents to bring any incidents to the attention of the building supervisor, officials or administrators so that they may continue to learn, just as the children are learning. However, as is the case under Virginia High School League rules, **NO PROTESTS OF GAMES WILL BE CONSIDERED.**

F. POST-SEASON EXHIBITION GAMES

At the end of the season, representatives from some age groups will be chosen to play exhibition games. There will be a meeting of all coaches in late-February to discuss the tournaments and vote on players for the exhibition games. The teams will be chosen in the following manner: all coaches will nominate deserving players from their own team. All coaches then vote on the nominated players. Each team must be represented.

What to do if the weather is in question?

Answer:

Call your coach or the inclement weather line (703-248-5125).

Please do not call the community center office for gym closings, as we attempt to contact the coaches and the phone lines may be busy. Most coaches will have a phone tree set-up to communicate these cancellations, so your best bet may be to wait to hear from your coach. Just because the schools in Fairfax County or in Falls Church have closed doesn't mean that all of our activities are cancelled. If you're not sure, call the inclement weather line at (703) 248-5125.
